

Claudia, Jennifer and Steph enjoy a different means of catching up on the news while having breakfast. Each has breakfast at a different time and as part of it, one has cereal, one has coffee, and Steph has toast. From this information and the following clues, can you determine each persons means of catching up on the news, their part of breakfast and the time at which they have it?

- The person who read the newspaper had breakfast later than the person who liked to listen to the news on the radio.
- Jennifer had her breakfast directly before the person who had toast.
- Cereal was eaten 20 minutes after the person who watched the breakfast news on TV.
- Claudia's black coffee was not the breakfast taken last.
