

Martha, who is a coffee connoisseur, loves her expensive coffees. She is giving a lecture on the proper steeping method for 5 of the top brands of coffee beans. Using the clues below, determine the cost per 500 grams of the coffee beans, the name of the coffee, the temperature at which it must be steeped, and the steeping time.

- The \$40 coffee needs 200°F water.
- St. Helena costs \$20 more than the coffee that requires 210°F water.
- The coffee that needs 215°F water is either Aroeiras or St. Helena.
- The coffee that requires 205°F water costs \$40 more than the La Esmeralda.
- The coffee that steeps for 2 minutes isn't St. Helena coffee or Kopi Luwak.
- The coffee that steeps for 1 minute costs \$40 less than the coffee that steeps for 45 seconds.
- Of the coffee that costs \$40 and the coffee that needs 195°F water, one steeps for 2 minutes and the other is Blue Mountain.
- Of the coffee that steeps for 3.5 minutes and the coffee that requires 200°F water, one costs \$60 and the other is Blue Mountain.

		Coffee					Temperature					Steep time				
		Aroeiras	Blue Mountain	Kopi Luwak	La Esmeralda	St. Helena	195°F	200°F	205°F	210°F	215°F	45 seconds	1 minute	2 minutes	3 minutes	3.5 minutes

- The oldest boy is wearing the Blue shirt.
- Nicholas is next to the boy who likes Strawberry ice cream.
- Harris is at the fourth position.
- Miller's favorite ice cream is Chocolate.
- The youngest boy is next to the boy that is wearing the Green shirt.
- Young is at the third position.
- The 9-year-old boy is exactly to the left of Young.
- Kevin is next to the 9-year-old boy.
- At the second position is the boy wearing the Black shirt.
- Daniel likes Strawberry ice cream.
- At the fourth position is the boy who likes Vanilla ice cream.
- The 7-year-old boy is somewhere between the boy wearing the Blue shirt and the 8-year-old boy, in that order.
- Nicholas is at the third position.

### IF YOU ENJOY LOGIC GRID PUZZLES, YOU'LL LOVE ZEBRA PUZZLES

Zebra Puzzles, sometimes known as Einstein Puzzles, are an extraordinary twist on your favorite logic grid puzzles. They use the same brain-teasing logic but in a fun storytelling way that adds a dash of mystery and challenge. Instead of just a regular grid, you get lots of different hints about categories, like color, animal, and place. Your mission? Figure out how all these hints link together. Think of Zebra Puzzles as exciting logic mazes. This type of puzzle promises a riveting mental workout that will keep you engaged while honing your problem-solving and critical thinking skills, making them a must-try for any fan of logic puzzles.
