

Three members of our society live in 1 million plus homes in one of the city's more affluent suburbs. From the clues, for each person, can you determine their surname, the street in which they live and the value of their home?

- Kassandra's home is worth more than that of the person whose last name is Holloway.
- The Elm Tree Road resident owns the least valued home.
- Alexandra lives in neither Treelines Boulevard nor Elm Tree Road but in the most valued home.
- Holt is not the last name of the Wattle Grove resident.
