

Three women (Amelia, Lidia, and Olivia) are going out on dates with three men (Arthur, George, and Sebastian). Given the clues, can you figure out who went out with whom and which dish (pasta, salad, and steak) they ate?

- George gave his date a salad.
- The woman whose favorite dish was the steak went out with Sebastian.
- Amelia just can't stand Sebastian or George.
- Olivia doesn't like pasta.
- Lidia and Sebastian never really got along.
