

Every week since its inauguration, the local Movie Buffs Associated have shown a series of movies chosen by a selection panel, determined annually by a ballot of members, in the Municipal Offices function room each evening from Monday to Friday, and starring a particular actor/actress. The selection panel for the current year is Sally Boyden, Mark Thomson, Jessica Farmer, Laurie Davison and Mary Peters.

Last week their choice was John Wayne, and the films chosen - one per member - were Stagecoach (1939), Rio Bravo (1959), The Quiet Man (1952), True Grit (1969), and McLintock! (1963) but not respectively, and neither were they shown in that order, nor in the order in which they were released. Showing time differed each evening. From this information and the following clues, for each member, can you determine who chose which film, the day on which it was shown, and at what time?

- Sally's choice was the latest release, which had a 7:25 pm time slot.
- None of the women chose the 1939 release or The Quiet Man.
- There was a time difference of 60 minutes for the showing of Laurie's choice and the Thursday showing.
- Stagecoach had a mid-week showing after 8:00 pm.
- Jessica chose the 8:45 pm movie, which was not Rio Bravo.
- None of the men chose a movie shown before 8:00 pm.
- None of the women chose the Monday movie.
- True Grit was shown before McLintock!

IF YOU ENJOY LOGIC GRID PUZZLES, YOU'LL LOVE ZEBRA PUZZLES

Zebra Puzzles, sometimes known as Einstein Puzzles, are an extraordinary twist on your favorite logic grid puzzles. They use the same brain-teasing logic but in a fun storytelling way that adds a dash of mystery and challenge. Instead of just a regular grid, you get lots of different hints about categories, like color, animal, and place. Your mission? Figure out how all these hints link together. Think of Zebra Puzzles as exciting logic mazes. This type of puzzle promises a riveting mental workout that will keep you engaged while honing your problem-solving and critical thinking skills, making them a must-try for any fan of logic puzzles.
