

Every week since its inauguration, the local Movie Buffs Associated have shown a series of movies chosen by a selection panel, determined annually by a ballot of members, in the Municipal Offices function room each evening from Monday to Friday, and starring a particular actor/actress. The selection panel for the current year is Sally Boyden, Mark Thomson, Jessica Farmer, Laurie Davison and Mary Peters.

Last week their choice was Michael Caine, and the films chosen - one per member - were The Dark Knight (2008), Inception (2010), The Prestige (2006), The Italian Job (1969), and Zulu (1964) but not respectively, and neither were they shown in that order, nor in the order in which they were released. Showing time differed each evening. From this information and the following clues, for each member, can you determine who chose which film, the day on which it was shown, and at what time?

1. The 2010 release was shown either on Friday or at 8:20 pm.
2. The Prestige was shown three days after Jessica's choice.
3. Two of the women had consecutive days showings with one being at 8:25 pm and the other the 1969 release.
4. Mary chose neither The Dark Knight nor Zulu.
5. Miss Farmer's choice was not shown on Tuesday or Wednesday.
6. Miss Boyden's choice closed the week with the 8:00 pm showing.
7. The 2008 release was preceded by Laurie's choice which was shown at 8:30 pm.

- ☐ The oldest boy is wearing the Blue shirt.
- ☐ Nicholas is next to the boy who likes Strawberry ice cream.
- ☐ Harris is at the fourth position.
- ☐ Miller's favorite ice cream is Chocolate.
- ☐ The youngest boy is next to the boy that is wearing the Green shirt.
- ☐ Young is at the third position.
- ☐ The 9-year-old boy is exactly to the left of Young.

- ☐ Kevin is next to the 9-year-old boy.
- ☐ At the second position is the boy wearing the Black shirt.
- ☐ Daniel likes Strawberry ice cream.
- ☐ At the fourth position is the boy who likes Vanilla ice cream.
- ☐ The 7-year-old boy is somewhere between the boy wearing the Blue shirt and the 8-year-old boy, in that order.
- ☐ Nicholas is at the third position.

IF YOU ENJOY LOGIC GRID PUZZLES, YOU'LL LOVE ZEBRA PUZZLES

Zebra Puzzles, sometimes known as **Einstein Puzzles**, are an extraordinary twist on your favorite logic puzzles. They use the same brain-teasing logic but in a fun storytelling way that adds a dash of mystery and challenge. Instead of just a regular grid, you get lots of different hints about categories, like color, animal, and place. Your mission? Figure out how all these hints link together. Think of Zebra Puzzles as exciting logic mazes. This type of puzzle promises a riveting mental workout that will keep you engaged while honing your problem-solving and critical thinking skills, making them a must-try for any fan of logic puzzles.
