

Every week since its inauguration, the local Movie Buffs Associated have shown a series of movies chosen by a selection panel, determined annually by a ballot of members, in the Municipal Offices function room each evening from Monday to Friday, and starring a particular actor/actress. The selection panel for the current year is Sally Boyden, Mark Thomson, Jessica Farmer, Laurie Davison and Mary Peters.

Last week their choice was Norman Wisdom, and the films chosen - one per member - were The Square Peg (1958), On the Beat (1962), Man of the Moment (1955), Just My Luck (1957), and The Sandwich Man (1966) but not respectively, and neither were they shown in that order, nor in the order in which they were released. Showing time differed each evening. From this information and the following clues, for each member, can you determine who chose which film, the day on which it was shown, and at what time?

- The two shows before 8:00 pm were Jessica's choice and the one on Wednesday.
- 8:00 pm was the time that none of the women's choices was shown.
- Neither of the men chose the movie shown at the latest time.
- The 1958 release was shown at either 7:15 pm or 8:15 pm.
- Miss Peters' choice was shown three days after Sally's.
- Both the showings at 15 minutes past the hour were the choices of women.
- On the Beat, which was not chosen by a woman, was shown at 35 minutes to the hour.
- The 1957 release showed on the hour.
- Man of the Moment was the latest showing.
- Sally chose neither the 1958 release nor Man of the Moment.
- The men had consecutive days showings with that at 8:00 pm and Mark's choice on Wednesday.

IF YOU ENJOY LOGIC GRID PUZZLES, YOU'LL LOVE ZEBRA PUZZLES

Zebra Puzzles, sometimes known as Einstein Puzzles, are an extraordinary twist on your favorite logic grid puzzles. They use the same brain-teasing logic but in a fun storytelling way that adds a dash of mystery and challenge. Instead of just a regular grid, you get lots of different hints about categories, like color, animal, and place. Your mission? Figure out how all these hints link together. Think of Zebra Puzzles as exciting logic mazes. This type of puzzle promises a riveting mental workout that will keep you engaged while honing your problem-solving and critical thinking skills, making them a must-try for any fan of logic puzzles.
