

Harold invited 4 friends to get together for New Year's Eve and have a small party. Each friend was to bring one snack and one bottle of their favorite drink. Each guest has also brought a different New Year's Eve costume piece to make the party a little more festive. Help our host determine which friend is bring which snack and which drink, as well as the friends name and the costume piece he or she wore.

1. Of the friend wearing the 2014 glasses and the one with who brought the Dr. Pepper, one was Jack and the other brought a bag of chips to share.
2. Of the friend brought a bottle of Coke to the party, and Jack, one brought along a platter of Cocktail Shrimp and the other wore a festive New Year's Eve hat.
3. Neither the friend who brought Pepsi, nor Harriet, brought chips to the party.
4. The person who made caramel apples did not bring Pepsi to the party.
5. The person who brought the Cocktail Shrimp is either the Harriet or the friend who brought the New Years blower.
6. The friend who brought Pepsi to drink has a name that alphabetically follows the person who brought the blower.
