

From different states in the USA, three couples were featured this month on "Room with a View", the popular home makeover TV show. Each had one "problem" room in their home. The problem room was typically a room that they just couldn't utilize well, either due to its location within the house or how the couple had it set up. The "Room with a View" cast redesigned each room, explaining why they were redesigning it. Then they actually made the changes and presented the new rooms to the owners. From this information and the following clues, for each couple, can you determine their last name, where they lived, and what room in their home "Room with a View" planned to makeover.

- 1. Ed wasn't married to Alicia but he lived in Chicago.
- 2. The couple who remade their living room lived in Atlanta.
- 3. Alicia Baker didn't have her living room remade.
- 4. The Sharp couple had their bedroom redone, but they weren't located in Indianapolis.
