

On reaching the age, membership to the Happy Town's '60's Club is automatic and 2013 saw the admission of six new married members but not all at the same time, Peter, Tom, Sandy, Paula, Sally and Trisha. From this information and the following clues, for each couple, can you determine the husband, the wife and the period in which they became members?

1. No husband or wife has the same initial as the other.

2. Couple #2 are the youngest.

3. Tom's birthday is on 31st January.
4. Neither Sandy nor Peter is the husband in Couple #1.

5. Sally is four months younger than Tom.

| | | Husband | | | Wife | | | Period | | |
|--------|-------------|---------|-----|-------|-------|-------|--------|-------------|-----------|------------|
| | | Peter | Tom | Sandy | Paula | Sally | Trisha | Jan - April | May - Aug | Sept - Dec |
| Couple | Couple #1 | | | | | | | | | |
| | Couple #2 | | | | | | | | | |
| | Couple #3 | | | | | | | | | |
| Period | Jan - April | | | | | | | | | |
| | May - Aug | | | | | | | | | |
| | Sept - Dec | | | | | | | | | |
| Wife | Paula | | | | | | | | | |
| | Sally | | | | | | | | | |
| | Trisha | | | | | | | | | |

| | | Husband | Wife |
|-----------|--|---------|------|
| Couple #1 | | | |
| Couple #2 | | | |
| Couple #3 | | | |
