☐ The family snacking on Cookies lives in the second house.

☐ The house of the family munching on Pretzels is situated somewhere between the house of the family playing Board games and the house of the family eating Popcorn, in that order.

☐ The family with 1 kid lives next to the family with 7 kids.

☐ The family with 1 kid lives in the middle house.

☐ The family living in the Blue-colored house is at position 4.

☐ The Black colored house is somewhere to the left of the Orange house.

☐ The Jacksons live next to the family that is eating Pretzels.

☐ The family involved in a Card game lives in the house immediately after the family playing Hide and seek.

☐ The Garcia family lives in the second house.

☐ The Jackson family lives next to the family playing Hide and seek.

☐ The family playing a Board game lives in the second house.

☐ The house with 5 kids is the same house where Peanuts are eaten as a snack.

☐ The family eating Peanuts is immediately before the family with 2 kids.

☐ The Davis family lives right beside the house that shelters 4 kids.

☐ The family staying in the Pink house is somewhere between the family meeting for a Scavenger hunt and the Edwards family, in that order.

☐ The family having a Scavenger hunt is in the house immediately before the house where a Board game is being played.

☐ The family eating Cookies lives next to the Jackson family.

☐ The Jackson family lives in the house painted White.
