- ☐ The man who wants to visit a Cave is in the first position.
- ☐ The man who will travel for 30 days has a Shellfish allergy.
- ☐ The person with the Purple shirt is somewhere between the person with a Gluten allergy and the one whose trip duration is 20 days, in that order.
- ☐ The individual going to the Museum is located somewhere between Ulrich and the person with the Green shirt, in that order.
- ☐ The one wearing a Purple shirt is placed somewhere between the visitor to the Cave and the person wearing an Orange shirt, in the same order.
- ☐ Paul is at the middle position.
- ☐ The person traveling for 15 days is between the ones traveling for 30 and 40 days, in that order.
- ☐ The person whose trip duration is 30 days is next to the one that wants to visit the River.
- ☐ The individual wearing a Purple shirt is between Ulrich and the individual with the Red shirt, in that order.
- ☐ The man who will stay 40 days in Europe is immediately after the person who wants to visit the Theater.
- ☐ Edward has a Shellfish allergy.
- ☐ The individual with a Peanut allergy is just after the one who is wearing a Green shirt.
- ☐ Edward is next to the person wearing an Orange shirt.
- ☐ The man who wants to visit the Museum is right after Ulrich.
- ☐ Michael will stay in Europe for 15 days.
- ☐ The person allergic to Fish is next to the one who wants to visit the Theater.
- ☐ Michael also has a Soy allergy.
