☐ The customer who purchased the Nightstand is standing in the fourth position.

☐ The woman who will receive her furniture in 35 days is standing next to the woman who paid \$1,400 for her furniture.

☐ The customer wearing a Red shirt is found somewhere between the customer whose furniture will be delivered in 20 days and the customer wearing a Black shirt, in that order.

☐ Olga is exactly to the left of the customer who purchased the Armchair.

☐ Stephanie is the customer wearing the Orange shirt.

☐ Melissa is standing on one of the ends.

☐ The woman in the White shirt is on some position to the right of the woman wearing a Black shirt.

☐ The customer who paid \$1,400 is standing next to Stephanie.

☐ The customer who paid \$1,100 is standing next to the customer who paid \$1,400.

☐ The customer whose furniture will be delivered in 40 days is standing next to the customer who paid \$1,500.

☐ The woman who will receive her furniture in 25 days is somewhere between the woman who paid \$1,200 and the woman who will receive her furniture in 5 days, in that order.

☐ Georgia is exactly to the left of the customer who purchased the Nightstand.

☐ The customer who paid \$1,500 is on a position to the right of the customer wearing a Red shirt.

☐ The customer wearing the Orange shirt is standing next to the customer who purchased the Wardrobe.

☐ Melissa is standing next to the customer who bought the Cabinet.

☐ Olga is the woman who bought the Cabinet.

☐ The customer whose furniture will be delivered in 25 days is somewhere to the right of the customer with a Red shirt.

☐ The delivery time for Georgia's furniture is 40 days.
