- ☐ The person who paid \$1,800 for their rug is in the fourth position.
- ☐ The individual who bought a rug with Diamonds is placed in the second position.
- ☐ The man who bought the Square type rug has chosen the rug with a Sun symbol.
- ☐ The customer who bought a Green-colored rug is positioned somewhere to the right of the White-colored rug's buyer.
- ☐ The man who has a White-colored rug also has a rug of a Rectangular type.
- ☐ The customer who acquired a rug with Crosses is next to Steven.
- ☐ The man who purchased a rug for \$800 is placed in the middle.
- ☐ Larry is next to the person with the Sun symbol on their rug.
- ☐ George is next to the buyer of the Octagon-shaped rug.
- ☐ The man who bought an Oval rug is positioned at one end.
- ☐ The Blue rug's buyer is sandwiched between the man who bought a rug with Crosses and the \$800 rug's purchaser, in that order.
- ☐ Edward is placed right after the customer who bought an Octagon-shaped rug.
- ☐ The Diamonds symbol rug's purchaser also paid \$1,000 for his rug.
- ☐ The customer with an Orange-colored rug occupies the very first position.
- ☐ Michael is at one of the ends.
- ☐ The Green rug's purchaser is somewhere to the left of the Square rug's customer.
- ☐ The White rug's buyer is somewhere to the left of the customer who paid \$600.
- ☐ The man with the Lotus symbol on his rug is somewhere in between the buyer of the Octagon-shaped rug and Trees symbol rug's owner, in that order.
