- ☐ The student who wrote about President Pierce is in the second position.

☐ The student with the White notebook is situated between the student who wrote the essay on President Trump and the student with the Yellow notebook, in that order.

☐ The student who received help from George is somewhere to the right of the student with the White notebook.

☐ The student who received help from Quent is next to the student who wrote about President Eisenhower.

☐ The student who wrote the 250-word essay is between the students who wrote essays of 200 words and 500 words respectively, in that order.

☐ The student with the White notebook is positioned between the student named Georgia and the student with the Yellow notebook, in that order.

☐ The student who wrote about President Harrison is at one of the ends.

☐ The student with the White notebook is situated between the student who received help from Zachary and the student who wrote a 500-word essay, in that order.
- ☐ The student who got assistance from Victor is right next to the student with the Blue notebook.

☐ The girl who was helped by Zachary is at one of the ends.

☐ The girl who wrote a 350-word essay is just to the left of the girl who wrote about President Harrison.

☐ The student with the Pink notebook also wrote about President Hayes.

☐ The girl with the White notebook is sitting next to a girl named Deborah.

☐ The girl helped by Quent is between the girl with the Orange notebook and the girl named Regina, in that order.

☐ The girl who wrote about President Hayes is next to the girl who wrote a 350-word essay.

☐ The student who wrote the 400-word essay is somewhere to the right of the student with the Pink notebook.

☐ The girl with the Blue notebook also wrote about President Harrison.

☐ The girl named Ursula is in the last position.
