

Basic 3 - Logic Grid

Follow the clues to figure out who was the last one in the bike race.

1. Emmett and Austin's bikes are red and black, not necessarily in that order.
2. The owner of the green bike finished in first.
3. Xavier was the fourth.
4. Emmett didn't finish in second place.
5. The third place didn't ride a black bike.

		Position				Bike			
		first	second	third	fourth	black	blue	green	red
Name	Austin								
	Dominic								
	Emmett								
	Xavier								
Bike	black								
	blue								
	green								
	red								

Name	Position	Bike
Austin		
Dominic		
Emmett		
Xavier
