

Class Schedule - Logic Puzzle

Poor Ralph, he walked away from his computer for 5 minutes and his cat got on the keyboard. Now half of his classes schedule is missing! Using the clues, help Ralph put his schedule back together before he starts college tomorrow.

1. The class in room 218 is held sometime before Mr. Mason's class.
2. The course in room 112 is held 1 period after Ms. Xavier's class.
3. Neither the Art class nor the class in room 112 is the fourth period class.
4. The fourth period class is Chemistry
5. The Art class is either Mr. Thomlinson's class or the third period class.
6. Of the English class and Mrs. Schiller's class, one is in room 113 and the other is held during first period.
7. Mr. Thomlinson does not teach Algebra.
