

Most Important Meal of the Day - Logic Puzzle

Five roommates eat breakfast at different times in the morning; each with their own breakfast preferences. Match the roommate to the weekday they ate their preferred breakfast food, and at what time.

1. Charles recently started a high-protein diet at the beginning of his three-day weekend
2. The last person to eat breakfast in the morning is either Daniel or the person who eats French toast
3. Brittany didn't even have time for her english muffin on Wednesday or Thursday
4. The cereal was eaten Tuesday morning
5. Charles ate a half-hour before Brittany
6. Daniel likes to make his special breakfast in the middle of the week
7. The pancakes were eaten at the latest time of the morning.
8. Adam only has time for a bowl of cereal as he has an early class and must leave before everyone else.
9. Eva likes to eat breakfast in the middle of the morning

		Weekday					Breakfast					Time
