

## Movie Goers - Logic Puzzle

Three friends - Sarah, Sally, and Jennifer - are going together to see a movie that starts at 12:30 pm. All married, they each have different last names and drive different types of family cars. From this information and the following clues, determine the names of their husbands, the vehicle they drive, and what time they left for the movie.

1. Sarah, who is married to Solomon, was not the first to leave her house.
2. Sally left her house 30 minutes after Jennifer, who does not own a Jeep.
3. The Grundy van was driven off at 11:15 am.
4. Jennifer, whose husband has the same first initial, left in a Camaro.
